DEAR STUDENTS AND FAMILIES OF THE CLASS OF 2022,

Welcome to the Vanderbilt family! We are honored that you have chosen to join our university and the dynamic living and learning community of The Martha Rivers Ingram Commons. We will welcome you here in person on Move-In Day, Saturday, August 18. Until then, and whether you are a new student or their family, The Road to Vanderbilt is your key information resource for the next several months. It maps out the requirements that you must complete prior to arrival, important information about your transition into the university, and the many resources and opportunities Vanderbilt will afford you during your first year.

We want you to read The Road and discuss as a family the decisions ahead of you. In this document, there is key information about fall course registration, the housing assignment process, required forms, and an overview of our required orientation, called CommonVU, which begins on Move-In Day. All first-year students must be present on campus beginning that day. We also introduce you to what students here call The Commons experience, the living-learning communities you will help build in your houses this year and the faculty heads of house who will live alongside you. Use The Road to help you learn more about the systems we have in place to assure student health, wellness, and safety, and take a look at the wide range of opportunities that make up Vanderbilt student life.

We encourage you to use the checklist included in The Road to ensure you complete the steps necessary to make a smooth transition to Vanderbilt.

Again, congratulations to you and your family on your admission to Vanderbilt! Our entire community looks forward to greeting you in August.

Sincerely,

Douglas L. Christiansen, Ph.D.
Vice Provost for University Enrollment Affairs
Dean of Admissions and Financial Aid
Associate Professor of Public Policy and Higher Education

The Commons Experience: Anything but Ordinary

Since 2008, when the first class moved into The Martha Rivers Ingram Commons at Vanderbilt, students have found that life on The Ingram Commons is anything but ordinary. The Ingram Commons is a community of first-year students, residential faculty, undergraduate peer mentors, and professionals who live and learn together. With a focus on bolstering intellect, building community, developing skills for personal wellbeing, pursuing self-discovery, and raising awareness around cultural difference, all members of The Ingram Commons participate in a mutual exchange of ideas and experiences.

Our Philosophy

On The Ingram Commons, the intellectual and social intertwine to make this residential experience one of the most innovative projects in higher education today. By joining our community, we believe that you will:

- Acquire an appreciation for intellectual discovery and creativity outside the bounds of the formal academic curriculum, which will contribute to your academic engagement and success
- Engage actively in building healthy communities on your floor, in your house, in your Vanderbilt Visions group, on The Ingram Commons, and within the university
- Understand and learn to utilize the skills necessary for physical, psychological, and sexual wellbeing
- Clarify your personal, ethical, spiritual, and civic values through self-discovery
- Explore, live, and appreciate the diverse community of The Ingram Commons

All you have to do is participate!

Turn to PAGE 22 for a Closer Look at Your First Week on The Commons.
**The Commons Center**

The Commons Center is the community crossroads of The Ingram Commons. It includes a 580-seat dining hall and food gallery, a market and café, community space with TVs and pool tables, meeting rooms, an academic support center, group study space, the College of Arts and Science pre-major advising center, an exercise and recreation room, a post office, and on the third floor, the Department of Political Science. From the layout to the lights, The Commons Center was designed to be eco-friendly and efficient, earning it Gold LEED certification from the U.S. Green Building Council.

**The Commons Reading**

This year’s Commons Reading is *The Happiness Hypothesis: Finding Modern Truth in Ancient Wisdom*, by Jonathan Haidt. The book poses several “great ideas” on happiness espoused by thinkers of the past—from Plato to Buddha to Jesus and others—and examines them in light of contemporary psychological research, extracting from them lessons that still apply to our modern lives. Central to the book are the concepts of virtue, happiness, fulfillment, and meaning.

Expect to receive the book in June to read over the summer. If you have an international mailing address, you will receive the book upon your arrival.

**Vanderbilt Visions**

Vanderbilt Visions is a key component of the educational programming on The Ingram Commons, encouraging students to be empowered and responsible members of the Vanderbilt University community.

“Visions” is a required fall-semester, university-core program that places small groups of first-year students with an experienced faculty member and undergraduate peer mentor, known as faculty and student VUceptors. Visions groups meet weekly until Thanksgiving break for hourlong discussions and activities that explore the transitions students experience in their first semester. You will meet your Visions group for the first time on Sunday, August 19, the day after move-in.

**VUcept**

VUcept, a student organization supported by the Office of the Dean of The Ingram Commons, provides peer mentorship during CommonVU orientation and Vanderbilt Visions. Look for a letter in early August from your student VUceptor! VUcept also curates a collection of online essays written by current students, faculty, and staff to help you prepare for your journey at Vanderbilt. These essays, along with profiles of your VUceptors, are available on The Ingram Commons website.

Make sure you have your VUceptor’s name and contact information, your group number, and the place and time of your first meeting handy when you arrive on campus. You can record this information on page 2.
THE DEAN OF THE INGRAM COMMONS

Dean Vanessa Beasley was once in your shoes; her experience as a Vanderbilt undergraduate in the 1980s is still fresh in her mind. Along with her colleagues on The Ingram Commons, she’s proud of how far Vanderbilt University has come since then, and she’s also dedicated to making sure that every incoming Vanderbilt student feels welcomed, connected, and challenged here. Her scholarly expertise is the history and function of presidential rhetoric in the United States, and she teaches classes on mass media and politics, and the history of U.S. political oratory. She lives in the Dean’s Residence with her husband Trey, also a member of the A&S class of 1988, their younger son, Charlie, 15, and Bonita, their friendly cocker spaniel. Her older son Adam, 20, is a third-year student at another university.

FACULTY HEADS OF HOUSE

Living on The Ingram Commons lends itself to evenings of conversations and camaraderie in each of the ten houses. Each house is led by a faculty head of house, who opens their apartment for students to converse with visiting guests, discuss hot topics on campus, explore professional interests, or relax at a Friday game night. Just as often, you may find the faculty head of house will be present in the house with their family or co-workers. It is these spontaneous encounters that make The Ingram Commons a truly exceptional experience. You may learn more about each faculty head of house by visiting The Ingram Commons website.

MANDATORY IMMUNIZATION COMPLIANCE

The Student Health Center maintains a website that carefully outlines the immunizations that you will need to receive before arriving on campus. Tennessee state law and Vanderbilt University regulations dictate that all students comply with the immunization requirements. Students will not be able to register for classes until their immunization documents have been received, reviewed, and approved for immunization compliance by Student Health.

IMMUNIZATION COMPLIANCE AND HEALTH QUESTIONNAIRE FORMS

The Health Questionnaire form is a four-page form and is due to Student Health by the May 15 deadline. Note that other official immunization records (those including a physician signature or from a state, county, or previous undergraduate institution) are accepted as well and are also due by May 15.

The VU form is preferred over other documents, because it provides Student Health with fully detailed information before coming on campus:

- Demographic information, which includes:
  - Personal contact information
  - Emergency contact information
- Immunization history (required and recommended vaccinations)
- Tuberculosis screening information, signed by a health care provider for verification
- Brief health history—including all significant physical or mental health issues, so providers at Vanderbilt can extend the appropriate care to you.

A pre-college physical exam is strongly recommended, but it is not required.

If you have ongoing health problems or chronic health conditions, you should contact the Student Health Center (SHC) or the University Counseling Center prior to your arrival on campus to assure the continuity of your care.

Call the SHC at (615) 322-2427 to schedule an appointment with a provider. Appointments are available Monday through Friday 8:00 a.m.–4:30 p.m. To contact the UCC, call (615) 322-2571.

Information regarding the immunization process and checklist can be found at vumc.org/student-health/immunization-requirements. All necessary forms need to be downloaded from the site, completed, and uploaded to the secure Vanderbilt Student Health portal at vanderbilt.studenthealthportal.com. Forms will not be sent to you.
Student Health Insurance and Insurance Waiver

vumc.org/student-health/student-health-insurance

All students have access to the Student Health Center. While office visits are free and other services at the SHC have minimal charges, all students are required to have health insurance coverage in the event that hospitalization or care outside the SHC is required.

In order to ensure that all students have adequate coverage, there is a Vanderbilt-sponsored health insurance policy available to students. The cost of the policy is automatically billed to your student account unless you submit an approved online waiver by August 1, 2018. The online waiver process requires that you submit documentation of other comparable insurance coverage.

Upon waiver submission, you will receive a reference number that the waiver request has been received. Each waiver is verified for comparable coverage outlined by Vanderbilt University. You will then receive confirmation, via the email(s) you provide in the waiver request, of whether your waiver request has been approved. Once it is approved, the charge for the policy will be removed from your student account.

By mid-May, the websites for the Gallagher Student Health Insurance plan will be live. You can visit vumc.org/student-health/student-health-insurance to learn more about the plan and the waiver process. An insurance representative can be reached at the SHC at (615) 343-4688, Monday through Friday from 8:00 a.m. to 4:00 p.m. CT, to answer any questions.

Insurance waivers must be completed by August 1, 2018, if you do NOT wish to purchase (and be billed for) the student health insurance plan. All necessary forms need to be downloaded from the site, completed, and uploaded to the site to submit. Forms will not be sent to you.

Be Smart—Be Safe Mandatory Online Education

(Due August 15, 2018—monitor your Vanderbilt email throughout the summer for more information.)

To help prepare you for life on campus and to assist you in making intelligent choices regarding your own health and safety, as well as the health and safety of other students and the larger community, Vanderbilt University requires you to complete the following online educational modules prior to your arrival.

You will receive an email notification with instructions and links for each of the four modules in July. Please email doscompliance@vanderbilt.edu with any questions about the modules.

ALCOHOLEDU

AlcoholEdu is a science-based, nonjudgmental education program. Families are also encouraged to take the AlcoholEdu for Parents course. The module is designed to assist students in making safer and healthier choices about alcohol use. Part 1 takes approximately 90 minutes to complete. Part 2, which takes about 15 minutes, becomes available 45 days after Part 1 is completed and will be due in October.

PROTECTION OF MINORS 101

Vanderbilt is committed to protecting minors on its campus and in its programs. All students—even those who do not currently plan to work directly with minors—are required to complete this module. As an incoming student you are required to complete this 30-minute, self-paced module, and you will be required to complete a renewal module each subsequent year you are enrolled.
HAVEN SEXUAL VIOLENCE PREVENTION MODULE

As part of Vanderbilt's ongoing efforts to prevent power-based personal violence, you are required to complete this module. Part 1 takes approximately 60 minutes to complete and will educate you about the types of power-based personal violence, warning signs, and bystander intervention, as well as relevant laws, policies, and campus resources. Part 2 of Haven becomes available 45 days after Part 1 is completed and will be due in October.

First-Year Student Meal Plan

campusdining.vanderbilt.edu/vu-meal-plans/first-year-student-meal-plans

The First-Year Meal Plan can be used for dining in The Commons Center and 22 other locations across campus. All first-year students are automatically enrolled in the First-Year Meal Plan, which includes:

MEALS

You may choose three of the following meal periods (one meal per period):

| Period 1 | Midnight–7:00 a.m. |
| Period 2 | 7:00 a.m.–11:00 a.m. |
| Period 3 | 11:00 a.m.–4:30 p.m. |
| Period 4 | 4:30 p.m.–11:45 p.m. |

A “meal” is a combination of items from the menu, which may differ from one on-campus dining location to another, depending on the menu and type of service offered. At each location, signs will define the items that compose a meal at that particular venue.

MEAL MONEY

Meal Money funds reside in your Commodore Card account and can be used to purchase items at all on-campus dining locations, including vending machines and campus markets. Meal Money can also be used off campus at participating Taste of Nashville locations. Meal Money will rollover from fall to spring semester.

TASTE OF NASHVILLE

This program allows you to use your Commodore Card at local partner restaurants, just as you would a debit/credit card. Purchases at Taste of Nashville locations are debited from your Meal Money. “Meals” cannot be used off campus. Visit campusdining.vanderbilt.edu/taste-of-nashville for the list of participating restaurants.

SPECIFIC DIETARY NEEDS

Vanderbilt Campus Dining is equipped to serve students with food allergies and special diets. Several resources are available, including Meredith Williams, the registered staff dietitian, an online nutrition calculator, an executive chef, and more.

Attend the Special Dietary Accommodations Meeting on August 17 at 4:00 p.m. (location TBD) if you have specific needs. Visit campusdining.vanderbilt.edu for more details.

CAMPUS SAFETY FOR STUDENTS

The university is committed to helping students stay safe and secure and provides this 30-minute module to give students information about strategies for responding to weather events, fires, medical emergencies, and other active threats.
Applying for housing is easy. The First-Year Housing Application will be available beginning April 1 and is due by June 1. After you obtain your VUnetID and password, please visit the Office of Housing and Residential Education website and log into the “Student Housing Portal”. Once logged in, please click on the “Applications” menu and complete the “First-Year Housing Application.”

THE LIVING AND STUDY HABITS SURVEY

All students must complete the survey, which is part of the housing application. It allows you to do a self-assessment whether you plan to find a roommate yourself or the Office of Housing and Residential Education determines a roommate for you. Please keep in mind that habits change over time, and students interpret survey questions differently. Because of this, we cannot guarantee that roommates will have similar living or study habits.

ROOMMATES

First-year students will be assigned to double rooms whenever possible. We invite you to seek your own roommate through friends, acquaintances, and other opportunities to network with incoming first-year students.

Factors to consider when searching for a roommate include your sleep and study habits, how you maintain your living space (tidy or casual), the ways you socialize and recreate, and your cultural interests and preferences. If you would like to have a roommate assigned, we will attempt to match you on the basis of answers to the Living and Study Habits Survey.

ROOMMATE REQUESTS

In order to request a specific roommate, you will need the VUnetID of your preferred roommate (you do not need your roommate’s password). Each student in the pair must request the other in order to be considered. If you do not make a specific roommate request, we will assign a roommate to you. Please note that roommate requests are NOT guaranteed.

Please note that first-year students are randomly assigned to houses. Requests for assignment to specific buildings will not be considered.

REQUESTS FOR REASONABLE HOUSING ACCOMMODATION

First-year students seeking reasonable accommodation for the 2018/2019 academic year due to a medical, psychological, or disability impairment should contact Student Access Services prior to June 30, 2018.

The SAS website (vanderbilt.edu/student-access) provides information for students regarding reasonable accommodations, documentation guidelines, and other information about the office. All students who request reasonable accommodation due to a medical, psychological, or disability impairment must submit full and current documentation to SAS. If SAS determines that you are eligible for special housing, it will notify the Office of Housing Assignments, which will contact you about your assignment.

Please note that the Office of Housing Assignments will not accept directly any documentation or housing requests regarding a student’s medical, psychological, or disability-related condition. The office will make every effort to find appropriate and reasonable assignment as recommended by SAS.

After you have applied for housing by June 1, you can begin to focus on course registration. YES (Your Enrollment Services) allows you to see the class schedule for fall 2018 and to store your class selections in a shopping cart.

You will receive a registration packet from your school in late May or early June that will include the exact dates of your registration windows, information on how to match your class choices to requirements in your school, and how to contact an adviser for assistance in choosing your courses. Please read your registration packet carefully when it arrives and follow the directions and timeline provided. Your packet will either be mailed to your home address or emailed to your VU Gmail address.

Tutorials, printed instructions, and online help will be accessible from YES to assist you in using the registration system.

**OPEN ENROLLMENT PERIOD**

The registration system reopens July 18 so you can make adjustments to your schedule, if necessary. Open enrollment ends August 29, a week after classes start. That first week of classes is commonly referred to as the add/drop period.

First-year students seeking reasonable classroom and academic accommodations for the 2018/2019 academic year due to a medical, psychological, or disability impairment should contact Student Access Services prior to June 30, 2018.

The SAS website provides information for students regarding reasonable accommodations, documentation guidelines, and other information about the office. All students who request reasonable accommodation must submit full and current documentation to SAS.
The Commodore Card is your official Vanderbilt ID. It is used for identification, for access to residence halls, academic buildings, and campus events, and as a debit card for meal plans and other purchases on and off campus.

**PHOTO SUBMISSION FOR COMMODORE CARD**

You received a request and instructions on how to submit a photo to be used for the Commodore Card in your admissions packet acknowledging receipt of your matriculation fee. Commodore Cards for new students are made in advance of fall move-in. Your photo is needed for the Commodore Card and *The Newcomer*, the university’s annual publication of photos and biographical information about the new student class.

Photos must include a shoulder pose (no hats or sunglasses) on a neutral background with no other people in the photo. The online submission website will be active on May 15.

Simply click on the “Photo Submissions” link at vanderbilt.edu/cardphoto.

**COMMODORE CASH SELECTION**

Commodore Cash consists of funds added to your Commodore Card for debit purchases at dining locations, Varsity Markets, the Barnes & Noble at Vanderbilt bookstore, mail services, laundry, printing and copying, taxis, off-campus restaurants, sporting venues, and other locations.

Printers that accept the Commodore Card are located in most residence halls and across campus. You can conveniently send print jobs from anywhere on campus and then tap your Commodore Card at the printer to release print jobs.

To ensure that funds are ready for your use when you arrive on campus, the deadline for making a Commodore Cash selection is July 15.

The amount you select will be applied to your Commodore Card for both the fall and spring semesters. Funds are fully refundable if not used and will roll over at the end of every semester. These funds will be billed along with tuition, housing, meal plans, and other university charges.

You also must acknowledge the terms and conditions of the online Student Account Agreement form, which is available when logging into the YES portal. Please note that the acceptance of these terms and conditions is mandatory and will be required on an annual basis.

**COMMODORE CARD MANAGEMENT**

You can manage your card online at vanderbilt.edu/cardservices to view spending activity and account balances, to report a card lost or stolen, to add funds to the card, to set up low balance notifications, or to send a PDF statement of spending to a parent or family member.

If you elect not to add funds during the fall selection period (February 6–July 15), you may add funds for immediate use and have additions billed to your student account from the Commodore Card website.

If you did not make the selection to have funds pre-billed, there is a $35 deferred payment fee for each addition until September 15. To prevent this fee for the spring semester, you can log on to buycommodorecash.vanderbilt.edu until November 15.

To avoid a deferred payment fee, selections can be made during the following time periods:

- Fall 2018: Through July 15
- Spring 2019: Through November 15
ADD COMMODORE CASH FOR IMMEDIATE USE

You must have completed the Student Account Agreement form to be able to add funds (see page 20).

1. Go to vanderbilt.edu/cardservices and click on “Add Commodore Cash for Immediate Use.”
2. Log on using your VUnetID and password.
3. Select “Add Funds” and follow the prompts.
4. Submit and log off. Funds will be available immediately.

REPORTING YOUR COMMODORE CARD LOST OR STOLEN

Report a lost Commodore Card as soon as possible either by phone or via vanderbilt.edu/cardservices.

Debit spending accounts and access privileges are suspended when a card is reported lost. If you find the lost card, it can be reactivated on the card services website. If it is not found, there is a $20 replacement card fee that is payable by cash, check, or Commodore Cash.

COMMODORE CASH VS. MEAL MONEY

Commodore Cash is the primary spending account used by students. It can be used to make debit purchases at any campus retail location that accepts the Commodore Card as a method of payment.

Meal Money is used as an enhancement to the VU Meal Plan. Meal Money is an additional debit spending account available for isolating funds for food purchases. Meal Money can be used at on-campus dining locations, vending machines, and off campus at participating local Taste of Nashville restaurants. For the First-Year Student Meal Plan, see page 11.

For more information on the Commodore Card, to make a Commodore Cash selection, or to add funds to your Commodore Card, please see vanderbilt.edu/cardservices. Click on “University,” then “First Year Students” for an overview.

NOTE: The Commodore Card accepts personal checks at any time free of charge. Checks should be made payable to Vanderbilt University with the student’s birth date noted and mailed to:

Student Account Agreement

All Vanderbilt University students are required to acknowledge the terms and conditions of an online Student Account Agreement form when logging into the YES portal. The acceptance of these terms and conditions is mandatory, and it will be required on an annual basis. Failure to agree to these terms will prevent access to the YES landing page. Once the terms have been accepted, a copy of the most recently accepted form will be available for viewing and printing within the YES portal. Please read these terms and conditions carefully.

Guarantor Authorization and Debt Repayment Agreement

A Guarantor Authorization and Debt Repayment Agreement allows Vanderbilt University to release pertinent financial information to the guarantor(s) listed on the form (usually your parents). Without proper signatures, no financial information can be disclosed to anyone other than the student. You will receive an email from the Office of Undergraduate Admissions with a link to vanderbilt.edu/stuaccts, so you can download and complete the Guarantor Authorization and Debt Repayment Agreement.

Student Account e-Billing

Fall Tuition, Fees, and Other Charges

Vanderbilt student account statements are sent electronically to students’ VU Gmail. You are responsible for granting parents, guardians, or other payers access to e-Billing.

Access for Parents or Guardians

1. Log into your YES Landing Page and click “Billing Portal.”
2. On your Account page, click “Add New” in the Other Payers section.
3. Enter the information that is requested and click “OK.” (You must enter the username that your additional payer will use).

Once completed, the username and temporary password will be sent to your additional payer via e-mail. Simply repeat this process to add more than one additional payer to your account.

In each month that items are posted to the account, an email will be sent to your VU Gmail address and other payers’ email addresses with the subject line “Your Vanderbilt e-bill is now available for viewing.”

You and your other payers can view your bill and make payments simply and securely. Each time an online payment is made, a confirmation email will be sent. If you prefer to mail your payment, print your e-bill and remit the top portion with your payment.

For more information, visit vanderbilt.edu/stuaccts.
International First Year Student
Move-In Instructions

International Student and Scholar Services is the office that handles visa information, immigration regulations, and other programs and support services that pertain to international students. While most information in *The Road to Vanderbilt* applies to international students as well, move-in for international students is coordinated through ISSS and differs from the move-in instructions that domestic students receive. International undergraduate move-in for fall 2018 will be on Tuesday, August 14 from 8:00 a.m. to midnight in The Commons Center Atrium. International undergraduate student orientation will begin on August 15. ISSS will provide additional information about orientation and move-in through email to all new students throughout the spring semester and summer.

As an international student, you will check in through the ISSS office, which will inform you of the times, procedures, services, and special events for international students. Please make sure to complete the pre-arrival form online before you arrive on campus, so that we can prepare for your arrival. More information about move-in and orientation can be found at [vanderbilt.edu/isss/coming-to-vanderbilt/ orientation](http://vanderbilt.edu/isss/coming-to-vanderbilt/orientation).

Make your voice a part of the political process by creating a plan for voting during your time at Vanderbilt. If you are an out-of-state student, decide if you plan to register in your home state or in Tennessee. If registering in your home state, consider registering in person before move-in day. If registering in Tennessee, you may register online at GoVoteTN.com or with a form available on campus.
